P.A.W.S. Pledge-to-Give Ongoing Support Program

We invite you to join our HSOTC special family of supporters who make monthly, quarterly, bi-annual and annual donations that help fund quality humane care, medical care, adoptions and education for the good of our animals and our community.

The P.A.W.S. Pledge-to-Give program is structured to easily allow caring individuals and businesses the opportunity to provide vital ongoing support. One of the best ways you can help the HSOTC is to give:

- A regular, automatic donation from either your bank account or credit card
- Monthly donations as little as \$5.00
- Donations are typically made the 15th of each month
- Deductions can be altered at any time

Regular donations are essential to help us pre-plan and proactively prepare for the continuous needs within our community. These gifts enables HSOTC to save on administration costs while providing convenience to you, our valued supporter. Bottom line this means more of every dollar you donate can go straight to the care of our furry little friends.

Why not become a supporter of our P.A.W.S. Pledge-to-Give program by pledging your donation today!
